Flood Problem Debate -A Game No One Wins

By Jay Nash

Rep. W. J. (Sluggo) Murphy (R-Petite Lake) has suddenly taken an active interest in the flood/condition problem in the Antioch area, making several statements as to the causes and solutions to the problem.

Murphy recently, as he stepped up to this controversial plate, reported that, after his personal inspection of the situation, thousands of dollars were lost through property damage here.

Slamming a line drive toward the bureaucratic third-base officialdom, Murphy hit a foul to Mitchell's Waterways Division in left field, which, according to Murphy, presented "a complete lack of understanding and compassion added to our hardship by their positive lack of cooperation."

The Umpire, Governor Otto Kerner, gave no decision on the play and was scathed mightily by the Sluggo who said "he failed to give us the assistance he could have by ordering his Division of Waterways to take action and by interceding for us to Governor Nelson of Wisconsin to close the Wilmot dam that was adding to our hardship."

Mitchell of the Waterways Division, shielding himself with his glove, stated a contrary perspective however. He said that the Wilmot dam cannot be closed, and is but a concrete block of cement over which a good deal of water flows every year.

"There are no locks up there," Mitchell stated.

As far as the hotly debated McHenry Dam with its movable locks is concerned, outfielder Mitchell stated that nothing could be done or altered, but that "daily reports" are made to him at his office in Chicago.

As reported in the March 29 issue of the Antioch News, Senator Robert McClary recently took up the bat as a pinch-hitter and slammed a possible single into the infield of Thomas B. Casey, Chief Waterways Engineer in Springfield and demanded that the flood condition in the Antioch area be alleviated by lowering the McHenry locks to their full extent. Casey scooped up the ball and threw McClary out at first with "the gates will be adjusted to determine if relief can be attained in the Chain O' Lakes region."

Apparent clean-up batter was the Lake County Federation of Improvement Associations. An army hurler, G. E. Westler, Chief of the U. S. A.E., Planning and Report Branch in Chicago began by

chucking in fast curves of explanation. "The study is still in progress," Westler stated. "Funds for its continuation will be required for the next two years. At present, flood damages are being compiled to determine the location of serious flood problem areas." The pitcher, an apparent rookie just in from the scrubs as a reliever, seems to be having trouble finding the plate.

The only trouble with this ball game is that the spectators—residents of the Antioch area and surrounding neighborhoods, seem to be a bit disgusted with all these extra innings being played without a wrapup in sight.

The flood problem still

**NOTICE
AUCTION CANCELLED**

The auction which was advertised in The Antioch News on April 5, called the BERKIEL AUCTION, has been cancelled. It was to have been Saturday, April 14.

exists. People are still being forced from their homes. Property is still being listed on the scoreboard as damaged and the home team is without a manager to tell all those boys warming up in the bullpen what to do.

Grade School Presents Fair

The Lake Villa Consolidated School conducted their third annual Science Exposition on Friday, April 6, in the gymnasium of the school.

Of the more than 160 projects displayed, 30 won top awards.

Ten of these will go on to the North Suburban District Exposition, which will be at Lake Forest on April 28. The district affair will be sponsored by the Illinois Junior Academy of Science.

The ten winning projects were presented by the following seventh and eighth grade students at Lake Villa:

Neil Hanson, Wheatstone Bridge; Gary Hunt, Theories of Aerodynamics; Gary Hansen, Greg Huster, Genetics and Heredity; David Fabry, the Pipe Organ; Susan Macder and Gail Urban, The Fingernail; Kathleen Dobsias and Penny Nader, Intuition—What Is It? Patricia Dibble, Synthetic and Natural Perfumes; Robin Kloster, The Amoeba; Terry Witkowski, Pioneers in Space; and Kathy Brauer and Janice Sonandres, The Formation of Coal.

Blaine Thorpe and Lawrence Welch, science teachers at Lake Villa School, were in charge of the science fair.

High School Has Election

The result of the Village Mock Elections held recently at the high school is as follows: President—Dave Bonner; Village Clerk—Dennis Pogose; Chief of Police—Deryl Donnan; Fire Chief—Cliff White; Treasurer—Michael Horn; Public Works—Joe Wolf; Police Magistrate—Bob Krieger. The Appointed Officers are: Public Grounds—Frank Nausea; Building Commissioner—Don Verkest; Health Officer—Judy Rosquist.

The date set for Village Government Day is April 17. On the following day there will be a Senior Assembly which will be held as a time for the officers to report to their fellow classmates. Mr. McLean and Mrs. Tulumello were very pleased with the turnout of students for the election. 96.4% of the total student body voted. Out of the total ballots cast, 34 were spoiled. The spoils were due mainly to torn ballots and the incorrect use of the X.

Along with obtaining permission for shelter usage, Horan will be responsible for making provisions for the storage of food and medical supplies in the prescribed safety areas.

This Civil Defense program

Scouts Asked To Travel With Conservation Club

The Northern Illinois Conservation Club is extending invitations to four Boy Scout Troops in the Antioch area to attend a field trip to Kettle Moraine Forest in Wisconsin on May 12, along with a group of members. The purpose of this safari is to make a first hand study of children's reforestation planting and its first cousin, conservation. This is in line with the Club's policy of bringing our youths into active participation in this program. More trips are planned to accommodate other youth groups.

The Northern Illinois Conservation Club, at its March 28th meeting voted lifetime honorary memberships to Bruce Muench, State of Illinois Fish Biologist, and Ray Grays, newspaperman, for their extraordinary efforts in behalf of the Club and its program. The awards will be made at the June meeting.

State Representative William J. Murphy took time out from his busy campaign to attend this meeting to hear the Club's plans in regard to trapping unwanted rough fish in the Chain of Lakes. He pledged his active support of this in Springfield and was roundly applauded.

The N.I.C.C. was invited to judge the conservation ex-

hibits at the Antioch High School Science Fair, Saturday, March 31. Dr. George Jensen, James Waters, Robert McClary and Harry H. Stern, Director of Public Relations did the honors.

BEFORE THE STORM of voters hit, a calm settles over those checking and judging the polling booths of the 1st Precinct which was held in the Firehouse. (From left to right) Mrs. John Kaufman, checker for Charles Cermak; James L. Horan, judge; (far side of table) Mrs. Evelyn Franzer, (near side of table-far ground) Mrs. Helen Nelson, Mrs. John Dupre, Mrs. Vera Horton and Mrs. John L. Horan.

Civil Defense Okays Shelter

Government approval has been received for fallout shelters in the village of Antioch, according to Civil Defense Director, John L. Horan.

Horan will contact the proprietors of the public and private buildings and ask their cooperation and permission to use their basement or sub-level areas as fallout shelters for the public in the surrounding neighborhoods.

Along with obtaining permission for shelter usage, Horan will be responsible for making provisions for the storage of food and medical supplies in the prescribed safety areas.

This Civil Defense program

Furniture Inspected By ATH School Board

Seven school furniture companies have been asked by Antioch High School principal A. L. Dittman to bring in samples of classroom furniture for inspection.

The request for the exhibit, to be held through this week to April 18, was made in order that the School Board could select furniture for the new high school addition.

is part of a nation-wide plan which encompasses most residential and urban dwellers. Each designated shelter in Antioch, it is estimated by Civil Defense authorities, should capitate enough room for 30 to 50 persons.

FIREMAN FRANK JOHNSON is presenting Mrs. Weimer of 364 Lakewood Drive, Antioch, the first reflective decal issued by the Antioch Volunteer Fire Department. Looking on is Fire Chief Edgar Simonsen and Fireman J. Quedenfeld. The decals mark the homes of the handicapped, helpless, and aged to aid in rescue in an emergency.

Fire Dept. Hands Out Stickers

The Antioch Volunteer Fire Dept. has instituted a program of marking the homes of the handicapped, helpless, or aged requiring help in case of emergency. This program is to make these marked homes known to the fire department so rescue operations can be started immediately upon arrival at the scene of the emergency.

The reflective decals have been purchased by the Antioch Fire Department and will be distributed free of charge to residents of the Village of Antioch or the First Fire Prevention District. Anyone having a handicapped person at home or are handicapped themselves may obtain the decals by calling the Fire Department at 395-0690. Upon request a member of the fire department will deliver the decals and affix them in the proper place. A complete listing will be placed in each fire truck and with the radio operator at the Telephone Answering Service.

The use of these decals is becoming world wide and is being sponsored by civic and fraternal organizations, Federal and State governments, and the Civil Defense agencies.

This program is a public service sponsored by the Antioch Volunteer Fire Dept. and its success depends on YOU. Remember, these decals will help save lives and it just might be YOURS.

McClary Edges Out in Front Through County

Robert Coulson, in precincts 1 and 2 of Antioch (village) edged past Senator Robert McClary with 178 votes to McClary's 110. The race for representative in Congress throughout the township saw Max Wildman shoot ahead of both McClary and Coulson with 534 to their 210 and 350 votes. McClary drew great support from Boone and McHenry counties, which was totally unexpected, to take the race on Wednesday.

Rep. W. J. Murphy was landlidded with an overwhelming vote of 2847 throughout the entire township. Although some stated his "drawing" power had waned, this was not the case. Those challenging Murphy's bid for re-election in the 31st District Representative race were Francis J. Berry with 630 and James A. Olson, who drew strong support with 510 1/2 in the township.

Helen Burke was generally approved as Republican candidate for 31st district committeeman with 1126. Her opposition, Gladys M. Derberry pulled 474 with Robert J. Milton with 633 and Bernard E. Drew with 547 in the township.

Garfield R. Leaf swept the township vote of 891 to his opponent, Eugene T. Daly's 266 in his race for county clerk.

The weight of the vote for probate judge went to LaVerne A. Dixon with 813 with Ralph J. Dady who had 290. Mark Drobnick brought up the rear with 94 votes. Strong votes of confidence went to no-contest candidates on the Republican ballot.

All votes had not been tabulated at this writing but all indications show Sen. Everett Dirksen winning by a landslide. At this writing the Antioch Township voters alone had endorsed him with 1087 votes to Harley D. Jones' 124.

William J. Scott, running for State Treasurer, was considerably ahead with 768 votes to Maurice W. Coburn and Walter J. Rheum with 189 and 183.

With almost an 800-vote margin, Ray Page's position for candidate for Supt. of Public Instruction was at 940 over that of Louis F. Bottino with 179.

There was no contest for either Mrs. Earl B. Searcy (Clerk of the Supreme Court) or Paul V. Wunder (Clerk of the Appellate Court).

The Democratic balloting had not been settled at this writing with the exception of the precinct committeemen races.

Charles J. Cermak beat out Harry H. Wagner with a 34 to 24 decision in the 1st precinct. The 2nd precinct saw Turner win by two votes against Heiden, 28 to 26.

Albert Coffey went unchallenged in the 3rd precinct. In precinct 4 Edward Cooney had 39 votes to Ray Hueckstadt's 11. John Matyka took 58 votes in the 5th precinct over Don Hartman (16) and Arthur Polenske (17). Precinct 6 was dominated almost completely by Rose Plechaty with 86 votes to Elmer Barnes' 17.

Campaign speeches were made by candidates to the council on Monday, which was Dress-Up Day. On Tuesday the candidates were elected. Members of the Student Council assumed the positions of superintendent and various other administrative posts in the school on Wednesday, which has been termed Student Government Day.

Formal installation of officers was held today (Thursday). Principal A. L. Dittman has proclaimed Friday, April 13, as D-Day—Deviation Day. This means that tomorrow students will be permitted to deviate from their normal dressing habits which are required during the regular school year.

Two Cars Crash Here

The Sheriff's Office reported that a two-car crash occurred on Rte. 21 a half mile south of Rte. 173.

Edward Trznadel, 18, of Round Lake was going south on Rte 21 when Viri Chapin, 53, with one passenger, Mrs. Jessie Buchanan, backed out onto the highway.

Trznadel skidded over 70 feet before crashing into Chapin's car. As a result of the smashup, he was taken to the Antioch Clinic by the Antioch Rescue Squad for treatment.

Both cars were damaged and Chapin was issued a citation for failure to yield right of way by the sheriff's squad. No one in Chapin's car was injured.

It is planned to start a 10

Town Board Meeting Fixes Local Budgets

The Antioch Town Board meeting held last week in Antioch saw a 10¢ gravel tax restored for a five-year period. A \$30,000 levy was voted to a \$34,000 budget for the general fund. A budget of \$25,000 for the general assistance fund was also voted, coming to \$10,000. In the full amount of the budget, the library tax came to \$28,700. Clerk Llewellyn Van Paten, Jr. reported that 22 persons attended the meeting and that response from those attending was the quietest in years.

SALESMAN WINS HONORS
One of ten automobile salesmen named to the Lincoln-Mercury Division's sales hall-of-fame—the Inner Circle—by the Lincoln-Mercury Sales Council is Earl Stringer of Kopper-Piccone Motor Company in Antioch.

Laboratory Launched By Conservation Club

By Harry H. Stern

The Northern Illinois Conservation Club's outdoor laboratory program was launched after a meeting of Edward C. Cooney, supervisor of conservation education for the State of Illinois and the faculty of Grass Lake School, April 3, wherein conservation education was incorporated into the regular curriculum.

The class will start by assembling and setting out bird houses and bird feeders. A log or "bird diary" will be kept, detailing the species and number of birds, their arrival dates, nesting habits everything else pertinent to their study. This in itself will be a liberal education in conservation and nature study.

The children will plant seeds of their own choosing in waxed milk containers, in class, and in doing this they will learn what seed really is; how it germinates and bursts forth into life, grows into maturity and finally reproduces itself manifold.

Trees and tree culture will receive the group's attention and more than 1000 seedlings will be planted on the school grounds.

A study of the soil is on the program and a competent technician will be brought in to explain the analysis of it and how to take samples. The use of soil testing kits will be taught, along with the science of the balance of nature. It is planned to start a 10

A FETCHING SCENE was portrayed by Judy Alm (right) as the Irish maid in "Sabrina Fair" and Pat Mitchell who played the vivacious Sabrina in last week's production of ATH's Fine Arts Dept.

EDITORIAL

AN OPEN LETTER TO THE VILLAGE BOARD

Dear Sirs:

At your last meeting, April 3, over a quarter of a million dollars in construction contracts were awarded to bidders on Antioch's Sewer and Water System. One contract, almost totaling the same amount, was not.

We are curious. After months and months of careful planning and thinking on your part, we should imagine that no delay in awarding these contracts would be necessary.

But here we are at the beginning of spring and the issue has yet to be settled.

Exactly what is going on? The second contract awarded to Chicago Bridge and Iron Co. of Chicago was so hotly debated by the board's trustees that a split vote was forced and had to be settled by president Cunningham's last and finalizing "Yea." This does not indicate a consolidation and unity of opinion.

With the Water Tower bid snaking through hotly contested blocks of words to the board's approval, the remaining bid—that for the water and sewer laterals has been left without a contractor approval.

Since your meeting, gentlemen, rumors, gossip, accusations and other forms of invariable chatter have caused a stirring fever in the village.

Why wasn't the contractor picked for the sewer and water laterals? Why did Trustees Glenn and Holbeck move that Kennedy Construction Company be given the contract, and then, after an interjected discussion by Trustee Nissen, withdraw their move? Why was not a roll call called (or continued) to exact the inclinations of the rest of the board on this contract? Why wasn't village engineer, Dave Miller, positive of what his specifications showed to be "extra" charges in the contract?

These are but a few questions arising from your unexplained conduct.

If these questions are not answered or action taken that will decide the issue, accusations leveled by both our village residents and contractors could be accepted as fact.

The people would appreciate hearing from you on this matter. We believe that nothing the public officials of any village board do can be considered private. The public not only deserves to know what is going on but is entitled to an explanation why this issue is still unsettled.

Sincerely,
THE ANTIOCH NEWS

Courthouse Notebook

BY LOU BURKIN

Despite apparent voter apathy among the great majority of eligible voters in the 12th Congressional District there is anything but apathy among those who have a deep interest in their respective parties.

There is a deep unrest among the party faithful of both major parties which is reflected in the unusual number of contests for precinct committeemen posts and for reports of competition for the central committee chairmen of both parties in Lake County.

This unrest is not limited to this area, however, since in Winnebago County, for instance, there are contests for precinct committeemen among the Democrats in 107 precincts and in Cook County there is competition in both parties.

There are many democrats in Lake County who are dissatisfied with the leadership of their organization and are planning to unseat Chairman Ray Jadrich, who is even in trouble in his own precinct and may wind up ousted as committeeman which would automatically eliminate him as chairman.

There are strong indications that Waukegan Mayor Robert Sabonjian is behind the move to depose Jadrich, although he has been busy pushing the candidacy of Republican candidates recently.

On the Republican side present indications are that Chairman Bob Milton will have as many runners for his job as were making the GOP nominations for Chairman with John Sabonjian, of Oak Grove, and Larry Dunlap, of Libertyville, the most prominent mentioned as this year.

Also a probable candidate for the post, at least in the early maneuvering, will be Matt Skarbeck of Waukegan. Milton, of course, welcomes the multiplicity of aspirants and would seem to be the likely choice if the opposition can't agree on one candidate. An almost certain outcome of the county convention April 23 will be the establishment of a fulltime GOP headquarters with a fulltime staff to eliminate some of the time-consuming detail work which has hindered Milton in his efforts to do the job of leading the party.

Recently we suggested that the election dates should be shifted to June and the campaign period shortened so that candidates aren't wasting their time chasing around to meetings with a handful of people, risking their lives as well as political chances on icy highways.

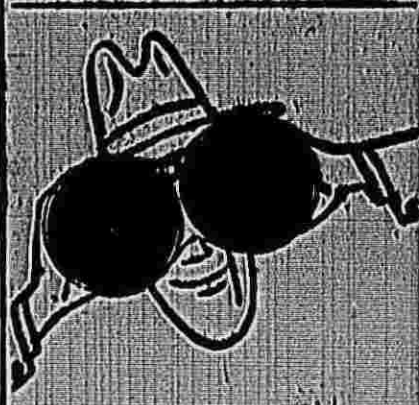

The idea seems to be catching on and several state legislature candidates have indicated they will introduce such a bill.

State Rep. Jack Baird came up with an interesting bill to cut down on highway deaths, but doubts that he will present it.

Under Rep. Baird's bill cars with license numbers ending in odd numbers would use the highways only on odd numbered days of the month and those with even numbers would be restricted to driving on even numbered days.

According to Baird, this would either cut the number of cars on the highway in half or double the road's income from license plate fees every year.

THE ANTIOCH NEWS
THURSDAY, APRIL 12, 1968

By Jay Nash

DID YOU KNOW that only five Americans have won the Nobel prize for literature since 1901 when the award was first inaugurated? Of the five, three were ill-educated and one was a woman. The female taking the world's top honorary award for writing from America was Pearl Buck (1892) for her expansive writings of the Orient. Sinclair Lewis (1898-1961) won his award in 1930 and was the first American ever to do so.

Irregularly schooled was Eugene O'Neill who won the award (1936) for his innovative style, and original themes depicted in such plays as *All God's Children Get Wined*, *Lazarus Laughed*, and *The Great God Brown*, along with his piece de resistance, *Strange Interlude*. O'Neill, whose life was stormy and frustrated, attended only one semester of college and then ran away to sea on tank steamers early in the century, later settling down with the Provincetown players to begin his acclaimed career.

William Faulkner received his Nobel Prize in 1949 for his stylistic stories and sagas of the decadent southland of today. He too, received scant formal education.

Nobel prizewinner Ernest Miller Hemingway (1894) almost didn't finish high school, running away several times before being corralled for graduation in Oak Park. He attended The War College of 1918—along with two million other men. One might say his only formal schooling was that gleaned in the trenches before the Brenta River on the Italian Front where he was serving as a Red Cross liaison lieutenant. This should be somewhat indicative of the fact that having six years college education does not necessarily mean that one is more than a capable, or what is termed in this profession a "hack" writer.

The Pulitzer Prize, a less coveted but equally important honor given American writers only was also won by Eugene O'Neill. In fact O'Neill is the only person to win four times—1920—*Beyond the Horizon*, 1922—*Annie Christie*, 1928—*Strange Interlude* and 1957 for *Long Day's Journey into Night*.

Both prizes, Nobel and Pulitzer, were founded by millionaires who had a keen and appreciative sense of the artistic, the durable and the worthwhile.

Alfred B. Nobel, who invented dynamite and died in 1896 full of sorrow and disgust with the invention that brought him untold wealth, left \$9,000,000 to the Swedish government to award yearly those artists, scientists, doctors and statesmen who have most benefited the world.

A board of directors named by the Swedish Government makes the awards.

The Pulitzer prize stems from Joseph Pulitzer, volatile publisher of the old New York World newspaper who died in 1911. As one of the revered high priests of journalism, this award is given only to those in the journalistic profession—editors, reporters, newspapermen in general, photographers, cartoonists and writers in drama, fiction, biography and all forms of letters.

These awards are made by Columbia University through an advisory board of Daily newspaper editors.

Your Governor Reports

by OTTO KERNER

The Governor's Official Traffic Safety Coordinating Committee is emphasizing the importance of the Vehicle Safety Check program in its overall effort to reduce the number of accidents in Illinois. The lives of countless citizens depend on the chance that car owners maintain their vehicles in a safe operating condition.

Vernon A. Langille, Chicago area businessman and civic leader, has been designated general chairman of this program. He will work with the state Division of Traffic Safety and the coordinating committee in citizen vehicle checks in Illinois communities.

This program is national in scope. In recent years Illinois has sadly lagged behind nearby states in the number of communities that participate. As it is a voluntary program, Mr. Langille will be exerting every effort to contact city officials and civic leaders to explain the program, how it can be obtained and offer suggestions for its successful completion.

Any motorist, no matter how careful and courteous in his driving, is only as safe as his car is in safe driving condition. The safety check quickly and surely demon-

strates to the auto owner the condition of his car. If it is in good condition, he is given a sticker so designating. If any one of 10 items checked is defective, the motorist is advised and can, upon having the defect repaired, receive his sticker.

This program can be enlarged and improved and can only result to the degree of cooperation is received from local communities. Within the next few weeks officials of Illinois communities will receive an invitation to participate. It is hoped the response will be good, and if so, we will have one, and an important one, of the programs to be supervised by the coordinating committee, in successful operation.

Over the nation 3,500 communities took part in the program last year, checking 3.5 million vehicles. One in every six was rejected because of defects. Because Illinois has fallen behind so badly in this endeavor, there are no accurate estimates of defective vehicles on our highways.

Any community official who desires more information on this program can obtain it by writing Mr. Langille, Chairman, Safety Check Committee, Department of Public Safety, Springfield.

Scout News

By Mrs. Pearl Kapell

Cub Pack 300 held its pack meeting in the St. Peter's Church basement on March 29. Ceremonies were opened with presentation of the colors by Terry Dowell. Terry Wells and John Mueller were flag bearers, and John Eckert and Tom Mueller were color guards.

Cubmaster John Eckert then presented awards to the various boys who had earned them. Two year pins were given to Terry Wells, Grant Miskanis, Allan Baur, Edward Aberholden and Charles Diemer. One year pins were presented to John Eckert, Robert Miskanis, Brian McCarthy, Mark Larson and Donald Edwards. Two year pins were also presented to two adults, Norman Edwards and Jack Wells. A Wolf Badge, a Silver Arrow and a Golden Arrow were awarded to Robert Miskanis, who was not present. A Wolf Badge was presented to Mark Larson. Denner's Stripes went to Brian McCarthy.

After the awards, Grass Lake Den Four entertained the company with a Hawaiian skit. The boys had made grass skirts of paper for their skit, dyed wigs from mops and had home-made Hawaiian drums.

The skit was followed by a judging of the latest project worked on by the boys—maps of any island. Bob Huebner and Norman Edwards were judges. First prize went to Charles Hart for a map of Japan, second prize to John Mueller for a map of Great Britain.

Bobcat ceremonies were then performed for two new cubs—Mark Sterling and Patrick Zeien. Closing ceremonies were performed by Den One, and refreshments were served by the mothers of Den Four.

The next committee meeting of Cub Pack 300 will be open to parents and will be at the home of John Eckert. The next Pack meeting will be held April 28.

By Mrs. Raymond Claffy

GIRL SCOUTS
Brownie Troop 193 Antioch Grade School had a very special meeting this past week. They were presented an American Flag by Mrs. Morris Verkest in behalf of the VFW of Antioch. Their leader,

Mrs. W. Beattie then invested Cindy Meyer, Nickie Atwood, who has a birthday during the summer when the troop does not meet, was hostess for the day. Mrs. Beattie will be one of the adults in the Golden Promise pageant and her daughter, Jo-Hanna, will also be their troop representative for the speaking chorus. She will be one of 99 girls.

All the girls had a part in making a star game of finding the constellations of different stars.

TROOP 92
The April 3rd meeting commenced with the usual opening ceremonies.

Inspection followed, and the winning troop was "The Vikings."

We tried something new this week, to see if there were any complaints in our patrol. We broke for advancement for 20 minutes. This was followed by a knot game. Each patrol had to tie the square-knot and the first one finished was "The Vikings," so they were winners for a second time that evening.

Owing to lack of time, the usual minutes and songs were omitted.

The coming trip to Canada was discussed, departure date July 6th, arrival home is July 15th. All boys wishing to attend have to be first class. The overall cost per boy is \$50 including spending money.

There will be a Green Bar

Along The Way

with Annie Mae

The daffodils and the crocuses have finally popped out with their Spring burst of color. The lawns, weak from a long winter, are trying valiantly to show a little green finery. Buds are beginning to peek from every bush and tree. But unfortunately one ugly development of the earth's reawakening has also appeared. The upheaval of our roads!

Both concrete and asphalt (black top) roads show the ravages of winter. Route 21 has been commented upon many times, but I'd like to put in my two cents about North Avenue west of Main street! If the condition of that road remains everyone will just pull their cars into Eric Luskman's (auto repair) after one trip out and back. If you haven't blown a tire by then, you surely will have broken an axle, or had a head-on collision with another car, while trying (impossibly) to avoid the holes.

Hope that you got a look at the State Library Bookmobile last Monday. Roses to our fine librarians, Marian Harden, and Betty Lu Williams, for making it a most interesting National Library week.

I see where Vera Sorenson is a Raven beauty again. Hard to decide which I like best, Vera.

If you think we're not "ritzy" just see if you can find another place (outside of Beverly Hills) where the school crossing patrolman drives to his job in a Cadillac?

Twelve prominent citizens of our fair city, returning from a bowling tournament Saturday night, had a new experience. All were refused admittance to a Rite 41 restaurant! They don't know yet if it was the lack of ties and jackets, or if they just looked like poor pay.

Are you a bridge fan? If you are I'd like to give you a bridge hand to try. You can make a heart Grand Slam on this. It's tricky. Here's the setup. You are South and hold these cards: Hearts, 10, 9, 8, 7, 6; Clubs, A, 10, 9, 8, 7, 6; Diamonds, A, K; West (your opponent) holds: Hearts, 2, 3, 4, 5; Clubs, K, Q, J; Spades, K, Q, 10, 9, 8, 7; North holds: Hearts, A, K, Q, J; Spades, A, J, 6; Diamonds, Q, J, 10, 9, 8, 7. Lay them all out and discard the balance as the East hand, and forget them. Now you are South, remember, and the lead is from West, who leads the Jack of clubs. It can be done!

Have fun as you try this play!

Annie Mae

meeting next Friday evening.

After talking over what we are going to do on campout to Green Bay, the meeting ended at 9, with closing ceremonies.

Topics for Today's Women

Celebrate 50th Anniversary

Mr. and Mrs. Oscar Hagen

Mr. and Mrs. Oscar Hagen were honored on their 50th wedding anniversary at a dinner given at the home of their daughter, Mrs. Cecil Smith of Kenosha, Wis. They were married April 3,

1912 in Winona, Minn., and lived at Tomah, Wis., until 1941 when they moved to Lake County.

For the past 15 years they have resided at their home, 270 Park Avenue, Antioch.

Meetings & Events

GRASS LAKE PTA HAS SCHOOL PROGRAM

"Forward in Education" will be the program at the Grass Lake School PTA meeting at 8 p.m. Monday, April 16.

The nominating committee will present their slate of officers for the coming year.

Second grade room mothers will be hostesses for the evening.

WEC TO MEET

The Wesley Evening Circle of the Antioch Methodist Church will meet at 8 p.m. this (Thursday) evening, April 12, at the home of Mrs. Robert Wilton, 478 First Avenue. Mrs. Harold Knutsen will be co-hostess.

Devotions will be given by Mrs. Kenneth Smouse. The program for the evening will be a book review by Mrs. W. C. Petty. The title of the book is "The Day Christ Died."

ANTIOCH WOMAN'S CLUB

April 16, "Early Antioch through the eyes of an artist."

The history of Antioch will be presented with a series of paintings by Jackie Horton (Mrs. John). She has done a tremendous amount of research on this subject from the time Main Street was an Indian trail.

The meeting will be held at the Scout House at 1:30. A board meeting will be held at 12:30.

Hostess committee: Mrs. George Hawkins, Mrs. William Meyer, Mrs. M. J. Connell, Mrs. Richard Carlucci, Mrs. Roy T. Hyre, Mrs. William Cooper, Mrs. James Cheetham, Mrs. Walter Mozal, Mrs. John Wiecek and Mrs. William Rosing.

ECONOMISTS TO MEET

The Lake Region Home Economics Extension Unit will meet at 8 p.m. Wednesday, April 18, at the home of Mrs. Irving Buchta, who is publicity chairman of the group.

The main feature of the meeting will be a talk on "Your Emotions and Your Health," to be presented by Mrs. Helen Volk, Home Advisor of the group. This will be followed by a minor project, parliamentary procedure.

O.E.S. MEETS

Antioch Chapter O.E.S. No. 428 will hold a stated meeting at 8 p.m. April 12 in the Masonic Temple, with Marion Kleven, worthy matron and Harold Kleven, worthy patron presiding. A social hour will follow.

On Saturday, April 14, the OES will meet at 8 p.m. in the Masonic Temple for Friends Night. Gladys Robinson and John Marquardt, worthy matron and patron of Libertyville chapter, will be in the East.

Other stations will be filled by friends of officers of Antioch Chapter.

MILWAUKEE VISITORS

Mrs. Frank Runyard, Channel Lake, entertained out-of-town visitors at her home on Saturday.

The visitors were Mr. and Mrs. D. E. Baldwin of Hamp-

Ladies' Group Earns \$10,633

Members of the cooperating women's groups working for the Countryside Hospital learned at their meeting on Monday afternoon that \$10,633.00 has been earned by them and deposited to the account of the Countryside Hospital Fund. The amount earned at the last rummage sale reached \$3,300.00 as predicted.

Tentative plans were made for a pancake breakfast on Saturday, June 16, beginning at 7 a.m. until 2 p.m. possibly at the Lake Villa Grade School.

The Lake Villa Royal Neighbors announced a Spring Time Card Party on Wednesday, May 2nd beginning at 12:30 p.m. in the Lake Villa Village Hall. Proceeds will go to the hospital fund. The Lake Villa Grade School Band will repeat their successful concert again this year. It is scheduled for 3 p.m. on Sunday, May 6, at the Lake Villa Grade School.

Twenty women attended Monday's meeting, including Mrs. Grace Weathers, Mrs. Alice St. Roman and Mrs. Julia Chonis of the Fox Lake Hills Women's Auxiliary; Mrs. Ellen Bywell represented the Fox Lake Women of the Moose; Mrs. Dorothy Colbert, West Milwaukee Women's Club; Mrs. Zelma Bechtel, the Lindenhurst Garden Club; Mrs. Edna Botts, Lake Villa Royal Neighbors; Mrs. Frances Bauma, Mrs. Cecilia Baron and Mrs. Edna H. Woodrum, the Chain O' Lakes Grandmothers Club No. 148; Mrs. Dorothy Heltman, the Stanton Point Women's Club; Mrs. Undine Perkins and Mrs. Lillian Bakalis, the Lake Villa American Legion Post No. 1219; Mrs. Ann Spilchal, Mrs. Cecile Mann, the Crooked Lake Oak Ladies' Auxiliary; Mrs. Joyce McCleod, the Lake Villa VFW Auxiliary; Mrs. Elsie Heuer and Mrs. Phyllis Thorson, the Countryside Hospital Association, and Mrs. June Eckert, the Lake Villa Women's Club.

The next planning meeting of the Cooperating groups will be on the afternoon of Monday, May 7, again at the Gustav Eckert residence. An invitation is being extended to all interested women's groups. A written notice will be sent to all organizations indicating an interest in working for the hospital if they will contact Mrs. Eckert at 395-2491.

Resident Ends Army Training

(AHTNC)—Private Mary J. Jensen, 19, daughter of Mrs. Martha K. Jensen, 309 Naber Ave., Antioch, recently com-

Mary Jane Jensen

pleted eight weeks of basic military training at the Women's Army Corps Center, Fort McClellan, Ala. Private Jensen received instruction in such subjects as Army history and traditions, administrative and supply procedures, map reading, first aid and military justice. She is a 1961 graduate of Antioch Township High School.

shire, Miss Ida Baldwin of Elgin and Miss May Werbach of Milwaukee, Wis.

KAREN LIGHTSEY MAKES GOOD

Miss Karen Lightsey, a freshman student at Carroll College in Waukesha, Wis., has been named to the Dean's List for earning a 3.0 average for her first semester at school. She is one of sixteen students to achieve this scholastic rating.

Robert Carlson was also listed with an average between 2.5 and 3.0, for the same period.

Karen, who is a member of the Alpha Gamma Delta sorority, is the daughter of Mr. and Mrs. Dan Lightsey of First Street in the Subd. Robert is the son of Mr. and Mrs. Herbert Carlson of Indian Point, Grass Lake.

GRADE SCHOOL PTA

The Antioch Grade School PTA will meet at 7:30 p.m. Monday, April 16, in the gymnasium.

Larry Eggleston, English teacher at Antioch High School, will speak on a summer school program.

Mothers of first grade students will be hostesses for the evening, with chairmen being Mrs. Herman Holbek, Mrs. Richard Ripley, Mrs. John Fries and Mrs. Charles Moran.

The AMA Board of Trustees has pledged a fund of \$60,000 to guarantee loans to Cuban refugee physicians who qualify to borrow up to \$300 a month for three months. The loans will be repayable at the rate of \$50 a month beginning two months after they obtain employment. This is international cooperation at its best.

In And About Our Town

STANDING PROUDLY with his new oxygen therapy vehicle is Bill Horton.

Proud owner of a new Chrysler Emergency-Therapy Oxygen Vehicle is Bill Horton, who has been installing oxygen equipment for over fifteen years in the vicinity of Antioch.

At the present time, he is the only person in the immediate area who is qualified to install equipment of this nature into private homes, hospitals, squad, police and fire department vehicles. He has set up oxygen equipment in Antioch, Silver Lake, Lake Villa, Round Lake, Wildwood, Fox Lake and Spring Grove.

Mr. Horton's spanking new special police enforcer Chrysler is fully equipped with therapy oxygen tanks and ready for emergency use at all times. Along with establishing oxygen tank usage in the home, and explaining and assisting in the operation of the tanks, Mr. Horton supplies rest homes with his service and is always available for civilian defense. 400 cubic feet of oxygen is carried in the Chrysler at all times and 6000 cubic feet of oxygen is held in store at the Antioch base.

The answering service of 395-0446 is constantly being called for usage of the tanks both from civilians and municipal authorities.

One of the most interesting services Mr. Horton extends is his application of oxygen to new-born colts at various horse farms. He has also set up oxygen tanks and ex-

plained their usage to various factories such as Quaker Industries.

One of Mr. Horton's pre-occupations is flying and he has his own landing strip and airplane which is also used on emergency and out-of-town calls and deliveries. Liquid oxygen and nitrogen are also available for aircraft through Horton's service.

Mr. Horton has one son, John, an eighteen-year-old student at Antioch Township High School and a married daughter, Mrs. Jude Oedermark who lives with her husband in DeKalb, Ill.

The Hortons, Bill and his wife, Blanche, celebrated their 25th anniversary this week on April 11.

Living and working in the area of Antioch for 17 years, Mr. Horton recalls that the most stirring thing happening to him while assisting in the installation of an oxygen unit was that of reviving an 18-year old girl confined to an iron lung. The polio-stricken girl has collapsed, Horton recalled, after the Silver Lake Rescue Squad ran out of oxygen and he rushed to the scene. "I shall never forget her care-free look and gay attitude after she had been revived by oxygen," Horton said. "It was one of the most wonderful things I have ever seen."

Both Roger Rigby, technician with the concern, and Horton's son, John, are also qualified to administer oxygen.

Far-Flung Classmates Will Attend 1932 School Reunion

Several Antioch residents will participate in a grade school class reunion from the year 1932 on April 29 at Mangam's Chateau in Lyons, Ill.

Approximately 250 members of the June and January classes of 1932 of the Daniel H. Burnham (Elementary) School in Cicero, will be together for the nostalgic reunion.

Although the greater portion of the class still resides in the Chicago land area, there are about a dozen in California and others scattered throughout eleven other states, not to mention foreign countries. The most distant classmates of the group are Mrs. Allyne (Flek) Whitmire in Kuwait, Arabia and Mrs. Ruth (Moulik) Miller in Indonesia. Also included among the participating members is John Jessovitch, who resided in Australia for many years, and Mrs. Ruth (Kirby) Newell of Hollywood, Calif.

Those attending from the Antioch area are William

Fanta, of Lake Catherine and Riverside; Betty (Malek) Jecmen, also of Riverside; Dr. James Kopriva, of Antioch; Elvira (Stanke) Nohava, of Antioch; Joseph Wolf, of Antioch; Lorraine (Hrach) Kristofferson, of Round Lake and Frances (Zimmerman) Moore, of Fox Lake.

Funds from the 25th Anniversary reunion were used to purchase a J. D. Prouty oil painting for Burnham. The proceeds from this party will also benefit Burnham. In this sense the reunion is a cordial fund drive and therefore all are invited to attend.

Tickets can be obtained from James Mucha in Cicero at OL-2-9064.

Two Lake Villa Men Assigned Courses

LACKLAND AFB, Tex.—Two Lake Villa, Ill., men are being assigned to the United States Air Force technical training course for aircraft maintenance specialists at separate Air Force bases.

Airman Basic Charles F. Havert, son of Mr. and Mrs. Thomas E. Havert, Route 3, will go to Amarillo AFB, Tex. Airman Basic Steven E. Latta, son of Mr. and Mrs. Eugene H. Latta of Lake Villa, will go to Sheppard AFB, Tex.

"An acre of permanence is worth a whole world of promise,"—Greenville Advocate.

ATH Pupil Will Attend College

CARTHAGE, Ill.—Kenneth Jon Anderson, son of Mr. and Mrs. Elroy Kenneth Anderson, Route 5, 49 Second Avenue, has been accepted at Carthage College and will enter the Kenosha campus as a freshman this fall.

Kenneth will be graduated from Antioch Township High in June, 1962, where he has been active in football, basketball, band, debating, and dramatics. His intended major at Carthage College is supported by the United Lutheran Church in America and located in Carthage, Ill. In the fall of 1962, the college will open a multi-million dollar second campus. The new campus situated on lake front property in Kenosha, Wis., has been proclaimed one of the most beautiful college sites in the Midwest.

Ex-ATH Student Is Committee Candidate

CARLINVILLE, Ill.—William A. Bonner, a freshman at Blackburn College here, has recently been selected as a candidate for a position on the Student Work Committee at the college. Tests taken by those nominated by the student body were the basis for the selection of three candidates for each office.

The Student Work Committee is responsible for the administration of all student work on campus under the Blackburn "work-study" program. Each student works 15 hours per week at on-campus jobs in partial payment for his education.

Bonner will have one week in which to demonstrate his abilities in leadership before the final selections are made. The new Work Committee will take office on May 14.

Bonner, a 1961 graduate of Antioch Township High School, is the son of Mr. and Mrs. W. Roy Bonner, of Wadsworth.

Inside Antioch High

By Mike Brooks

Congratulations to the cast of the Senior Class play, "Sabrina Fair"! Unfortunately they had to play to a sparsely populated auditorium. To those of you who always complain that the school wastes money and never does anything, you missed one chance to see the school in action. Long, hard, and trying rehearsals went in to this year's production. As a result, an excellent play was produced and not seen by many.

More congratulations are extended to Coach Leon and the Varsity Baseball Squad! They won their first game of the season last Friday by edging out Wauconda 3-2. ATHS is looking forward to seeing them play on the new diamond back of the school.

Havert, son of Mr. and Mrs. Thomas E. Havert, Route 3, will go to Amarillo AFB, Tex. Airman Basic Steven E. Latta, son of Mr. and Mrs. Eugene H. Latta of Lake Villa, will go to Sheppard AFB, Tex.

"An acre of permanence is worth a whole world of promise,"—Greenville Advocate.

The Antioch Township Library treated school children to the use of the Illinois State Library Bookmobile when it rolled into the village last week carrying over 10,000 books.

It is scheduled for completion early next month.

I'm just full of congratulations this week! This time they go out to the new Varsity Cheerleaders who were selected by the students last Friday after trying out before the student body. They are Harleen Young, Jane Wolff, Sandee Drucker, Sandy Cremin, Lee Nelson, and Sandy Maeder.

On Monday, April 9, the Student Council sponsored a Dress-Up Day. The people running for next year's Council offices made their campaign speeches at an assembly in the afternoon. At the writing of this article, the election results were not released. Rick Prossie and John Hallway were the only candidates running for the office of President of the Council.

Many seating companies have sent the school sample chairs and desks to try. The ones selected will be used in the new addition. Some of the chairs and desks have been placed on display in the library. I sat in a few of them just to give them a test run. Sure enough, they are comfortable enough to sleep in. In fact, they are very effective. (Yawn, ZZZZZZZZZZZZ). The desks we have now keep one from going to sleep because they are uncomfortable. If these new desks were used, Spring Fever would be a year-round disease!

A thought as one observes student elections: Contrary to some loud voiced opinions, these elections are not "fixed," nor are they mere popularity contests. Candidates must be well qualified, be willing to work very hard

and take a lot of adverse criticism. As one campaign poster put it, "The fate of a class depends upon the leaders it selects." A well-known author, William Shakespeare once wrote, "The fault, dear Brutus, lies not with our stars, but with ourselves, that we are underlings."

It's Time to spruce up your insurance too!

If you're still carrying several policies in order to have a broad property insurance program, it's time for a change. Now you can have the vital fire-theft-liability protection you truly need—in ONE convenient Homeowners Policy from The Hartford Insurance Group. Ask us about it today.

AN ALTERNATIVE TO BANKRUPTCY

Daniel Batts had worked for the Eastworm Tractor Company for eleven years and was regarded by the firm's officials as a good employee. His take-home pay was adequate. However, he had some unexpected expenses come up which he could not fit into his budget.

Dan had always prided himself on having a good reputation in the community and a good credit rating, so he went to all of his creditors and told them that he would have to reduce his payments to them in order to meet his unexpected obligations.

However, he found the creditors unwilling to reduce their payments, and in fact they seem to feel that Dan should pay them off and then begin paying the other creditors. Dan was in a dilemma.

Wage Earner Plan
After work one day Dan went to see a lawyer about bankruptcy. Dan told his lawyer that he did not wish to avoid paying his debts but simply could not meet his payments when they were coming due. Mr. Edwards, the lawyer, told Dan that rather than file bankruptcy he could file a wage earner plan in the Bankruptcy Court, asking the Court to extend the time for payment of his debts so that all the creditors could be paid in full.

Dan's lawyer totalled the family expenses which Dan had to meet and found that Dan could pay twenty dollars each week to all of his creditors through such a plan. Dan's indebtedness amounted to two thousand dollars so that in this way in approximately two years Dan could have all of his debts paid off in full.

Like bankruptcy, wage earner plans are instituted in the Federal Courts and once a wage earner files such a proceeding he may not be forced into bankruptcy against his will. If it should be impossible to continue the plan of payment then in may be converted into a bankruptcy.

Furthermore, Dan's lawyer

THE ANTIOCH NEWS

THURSDAY, APRIL 12, 1962

pointed out that Dan could obtain an injunction restraining his creditors from bringing garnishments or wage assignments against his wages during the term of the plan.

Petition Required
Dan decided to use such a plan, thereby protecting his job and seniority while making an honest effort to pay his creditors. Among the papers which Dan's lawyer prepared was the Petition for the Wage Earner Plan, together with a list of all of Dan's debts and creditors and a complete statement of Dan's assets.

After this was filed with the United States District Court the clerk sent notices to all of Dan's creditors and notified them of a date when the first meeting of the creditors would be held.

At the hearing the Judge of the Court asked Dan questions and then indicated that he was satisfied that such a plan was feasible and he would approve it, but that first of all the secured and the majority of Dan's unsecured creditors would have to accept the plan of payment that Dan has offered. (Secured creditors mean those whose claims were "secured" by a pledge of some property of the debtor.)

The Trustee
The Judge explained further that during the plan Dan must agree not to incur any new debts without the Court's permission. Finally, the Judge appointed a Trustee who would receive the monies and prepare the checks, making the payments to the creditors on a pro-rata basis.

Dan's creditors now receive payments every sixty days from the Trustee appointed by the Court; Dan's employer is not bothered by suits for garnishment of Dan's wages, and Dan has the peace of mind of one who is honestly endeavoring to meet his obligations. Dan was satisfied that his lawyer had indeed suggested the correct alternative to bankruptcy.

This column is written to inform and not to advise. No person should ever apply or interpret any law without consulting his attorney. Even a slight difference in the facts may change the result under the law. (The names used in this series are fictitious.) (The Illinois State Bar Association, 424 S. 2nd St., Springfield, has published a pamphlet entitled "Buying on Time" which will be sent free to any person who requests it.)

Bertha Harms Dies at Age 78

Mrs. Bertha Harms, 78, of Wilmot, Wis., died yesterday (Wednesday) morning in Burlington Memorial Hospital.

Born August 25, 1883 in Burlington, Wis., the daughter of Mr. and Mrs. John Grabow, she lived on a farm on English Prairie until moving to Wilmot in 1954.

Bertha Grabow was married to William Harms on Nov. 22, 1904 in Burlington. He preceded her in death in 1941; a son, Lloyd, also preceded her in death.

Mrs. Harms was a member of Peace Lutheran Church in Wilmot.

Surviving Mrs. Harms are three sons, Earl of Spring Grove, Melvin of Lake Villa, and Rodelle of Salem, Wis.; five daughters, Mrs. Flavia Ehlert and Mrs. Vera Frank, both of Wilmot, Mrs. Bernice Balza of Rock Island, Mrs. Iola McConnell of Minneapolis, Minn.; and Mrs. Amy Miller of Spring Grove; a brother, Dr. Elmer Grabow of Palm Beach, Fla.; 28 grandchildren and 24 great-grandchildren.

Friends may call at the Schuette-Werth-Daniel Funeral Home, 50 Wilmot Ave., Burlington, after 3 p.m. Thursday. Also from noon until time of services, 2 p.m. on Friday at Peace Lutheran Church in Wilmot. Burial will be in Wilmot Cemetery.

SHARING THE PROFITS — Participants in the Battle of Concord, Mass., will share the profits of the first battle of the American Revolution, as indicated by the statue on the right of the statue. The statue, known as the Minute Man, is a symbol of the American Revolution. The profits from the statue will be used to support the battle.

Annual ceremonies at Historic Concord, Massachusetts, will mark the 187th anniversary of the first battle of the American Revolution on April 19. A detachment of the White Mountain Rangers, Sixth Massachusetts Continental, shown at last year's observance, will fire a musket salute on the Old North Bridge, site of the historic battle, in the shadow of the famed Minute Man Monument. This site will also soon be dedicated as part of the Minute Man National Park. Famed poet, Ralph Waldo Emerson, marked the battle of Concord with the well-known lines: "By the crude bridge that arched the flood, their flag to April's breeze unfurled; Here the embattled farmer stood and fired the shot heard 'round the world."

Hit & Run Dents Auto

Deputy Robert May of the Sheriff's Office recently reported that a hit-and-run accident occurred on Rte. 59 just south of Grass Lake Rd. David Scarborough, 24, of Wonder Lake, stated that he was going south on Rte. 59 when an unknown car coming from the north sideswiped his car and failed to stop.

Scarborough's car was driven away with left door and fender damage. No injuries were sustained by Scarborough.

"Face the sunshine. You will find that the shadows always fall behind you."—Enterprise Publications, Brookfield.

AUTO LOANS

Buying a new car? Let us finance it for you at low, low bank rates! Yes, you can take up to 30 months to pay for a new automobile, and all you pay for your money here is 4 1/2% per year. Compare this to the cost of financing through other channels and you'll see why the thrifty man buys a car with a loan of the 1st National Bank.

Iron-Steel Companies Down From 1960 Profit

The combined 1961 net income of iron and steel companies declined 14.6 per cent from the 1960 level, although total revenues and shipments of finished steel products were down only 6.0 per cent and 6.8 per cent, respectively, according to American Iron and Steel Institute today.

The consolidated reports from companies representing 94.8 per cent of the industry's production of steel ingots as reported to the Institute showed that the 1961 net income was \$692,259,498, compared with \$810,772,040 during the preceding year.

Out of each dollar of revenues, the profits amounted

to 5.2 cents, against 5.7 cents during 1960.

Total revenues decreased to \$13,371,393,668 during 1961, from \$14,221,204,005 during the preceding year.

Employment costs totaled \$5,366,146,231 during 1961, equivalent to 40.1 cents out of each dollar of total revenues. In the preceding year the figure for total employment costs was \$5,535,710,222, equaling 38.9 cents of each dollar of total revenue.

The cost of materials, supplies, freight and other services was \$5,595,221,128 during 1961, against \$6,011,015,416 in the preceding year.

Depreciation and depletion

THIS WEEK'S U of I MARKET BUY

Wide variety of meat values. Meat and food common among better buys. Fresh produce selective bargain. Local surplus of frozen cause some discounting. Eggs continue cheap. Little price relief in fresh vegetables. Beans and lake perch in ample supply again.

Chicago Area Food Values

Meats: Sirloin & Porterhouse steaks—\$4.99; A Chub roast—\$4.99; Pork butt roast & loin chops—\$4.99; Leg roast—\$4.99.

Poultry: Large eggs—\$1.99; Fryers—\$1.99; Producer: Grapefruit—\$1.99; Avocado—\$1.99; Canned: Tomatoes—\$1.99; Asparagus—\$1.99; Green onions—\$1.99.

Lake Villa Library Booms Library Week

By Mrs. Roger Prosser

"Every week seems to be Library Week around here," said Mrs. Ted Belke, Librarian of the Lake Villa Library, "but we do plan a few special activities for the National celebration April 8-14. This is the fifth annual observance of the reading development program designed to increase appreciation of the vital role of the printed word in our national life, and encourage support and use of libraries of all kinds by everyone."

Mrs. Belke continued, "If you haven't been to your library lately, now's the time to go and enjoy yourself. It's full of books you haven't read, full of things you'd like to know, surprises for you and your children. More and more families are rediscovering the endless entertainment they can find at the Lake Villa Township Library."

"Our library will entertain teachers and their classes all week. Letters of special invitation are being sent to teachers this week. Children will receive a bookmark highlighting the slogan of National Library Week—'Read and Watch Your World Grow.'"

Of special interest to people of our area is the day-long visit on Tuesday, April 10, of the Illinois State Library Bookmobile. Many children and adults have voiced curiosity about the inside of a Bookmobile. "White Beauty," the big Bookmobile which brings excitement to our library every six weeks will be parked in front of the library from ten in the morning until five in the afternoon on April 10th. Everyone is invited to see and borrow its treasures.

Other records, books and

art prints are available inside the library. The library is open one to five in the afternoon and seven to nine in the evening on Monday, Tuesday, Thursday and Friday. On Saturday, the library is open ten to noon and two to five in the afternoon.

Also of special interest to library visitors will be an 100 year old wood carving in a bottle, from Mr. and Mrs. Carl Hansen of Grand Avenue, Lake Villa. The intricate and delicate carving shows an old grocery store meat market—all inside a bottle. Also of interest is a fine sketch by Mrs. Hansen of a young and vibrant Ernest Hemingway.

A visit to your library can remind you that no matter how fast the pace of civilization may be, no matter how many channels of information serve to entertain and enlighten you and your children, nothing as yet has approached the variety and quality of good books. Visit your library next week and then relax with a good book.

BOWLING

LAND OF HAPPY FEET

First Aid Courses Are Finished By Residents

In 34 communities in Lake County last year Red Cross trained swim instructors issued more than 30,000 swim certificates. More than 15,000 obtained small craft information or instructions from Red Cross trained personnel. The safety of you, your family and neighbors on or in the water is directly attributable to the Red Cross and its Water Safety program.

Approximately 2,000 Lake County residents completed Red Cross First Aid Courses last year with another 20,000 receiving information or instruction in First Aid. With few exceptions every Fireman and Policeman in Lake County is qualified in Red Cross First Aid. The state of Illinois requires that every school bus driver be qualified in Red Cross First Aid.

No one plans an accident or a fire, but it is comforting to know that someone, the Red Cross, plans programs of instruction to prepare you and your neighbors for such occurrences.

Twice in the past three years residents of a subdivision near Libertyville have been subject to the flooding of their homes; and each time the Red Cross has established shelters where, without charge, food and shelter was provided.

Aid to servicemen and their families is the biggest undertaking of the Red Cross. There are trained Red Cross directors everywhere there are U. S. servicemen. Men in the military are in daily contact with the Red Cross through the Red Cross volunteer Gray Lady program. Veterans hospitals, like service hospitals, look to the Red Cross Gray Ladies for assistance in programs ranging from occupational therapy to the writing of a letter to some friend or loved one.

In Lake County Gray Ladies serve at the Great Lakes Naval Hospital, Downey Veterans Hospital and the Lake County Home. More than 100 women spend a day each week in their Gray Red Cross uniform helping others.

Servicemen throughout the world look to the Red Cross to assist them in getting leave and transportation when they are needed at home in the case of serious illness or death. The Red Cross does not approve leaves, only supplies verified information to individual commanding officers to aid him in making the decision.

Families left at home with the husband often halfway around the world, often need assistance. The Red Cross is ready to offer financial assistance or counseling to all servicemen and their families.

The young people of Lake County do their part as members of the Junior and High School Red Cross. Last year at Christmas thousands of home-made cookies were collected and distributed at the Downey Hospital. Stuffed toys were made for a children's home at Dixon, Ill., and gift boxes containing toys, school supplies and health items were packed for shipment overseas.

The Lake County Red Cross

is primarily a volunteer organization. More than 3,500 Lake County residents performed volunteer services in Lake County last year.

Although no charge is ever made for any Red Cross service, many of these services cost money to administer and operate. Once each year your Red Cross asks for funds to continue to perform the worth while services which

make Lake County a safer and better place to live. Although most communities have already had their fund drives, if you have not been contacted, or care to give more please contact the Chairman of the fund raising committee in your community.

In charge of the fund raising campaign in Antioch is John Horan.

Early Insect and Disease Control

There are a number of insects and diseases that are controlled by dormant sprays, according to Lee Smith, Kenosha County Horticultural Agent. These dormant sprays are applied before the buds open in April.

One of the most important dormant sprays to the home owner is the elm tree spray to control the elm bark beetle that carries Dutch elm disease. Smith said the elms are sprayed with DDT or Methoxychlor emulsifiable concentrate before April 15.

The maples often times have Maple bladder gall mites that show up on the leaves in the summer. A spray of Malathion before the buds open will control mites. A dormant oil spray is effective

in the control of Cottony Maple scale.

There are a number of scale insects and aphids that attack ornamental trees and shrubs. Smith recommends the use of dormant superior miscible oil sprays for San Jose scale, Oyster shell scale, and aphid eggs on fruit trees, lilac, hard maples, rose, poplar, willow, cotoneaster and basswood. These insects can also be controlled in the summer with Malathion if applied when the scale eggs hatch.

Peaches have a disease called "Peach Leaf Curl," and this requires a dormant spray of lime sulphur, Ferbam or Elgetol to keep it under control.

Strawberries get leaf blight

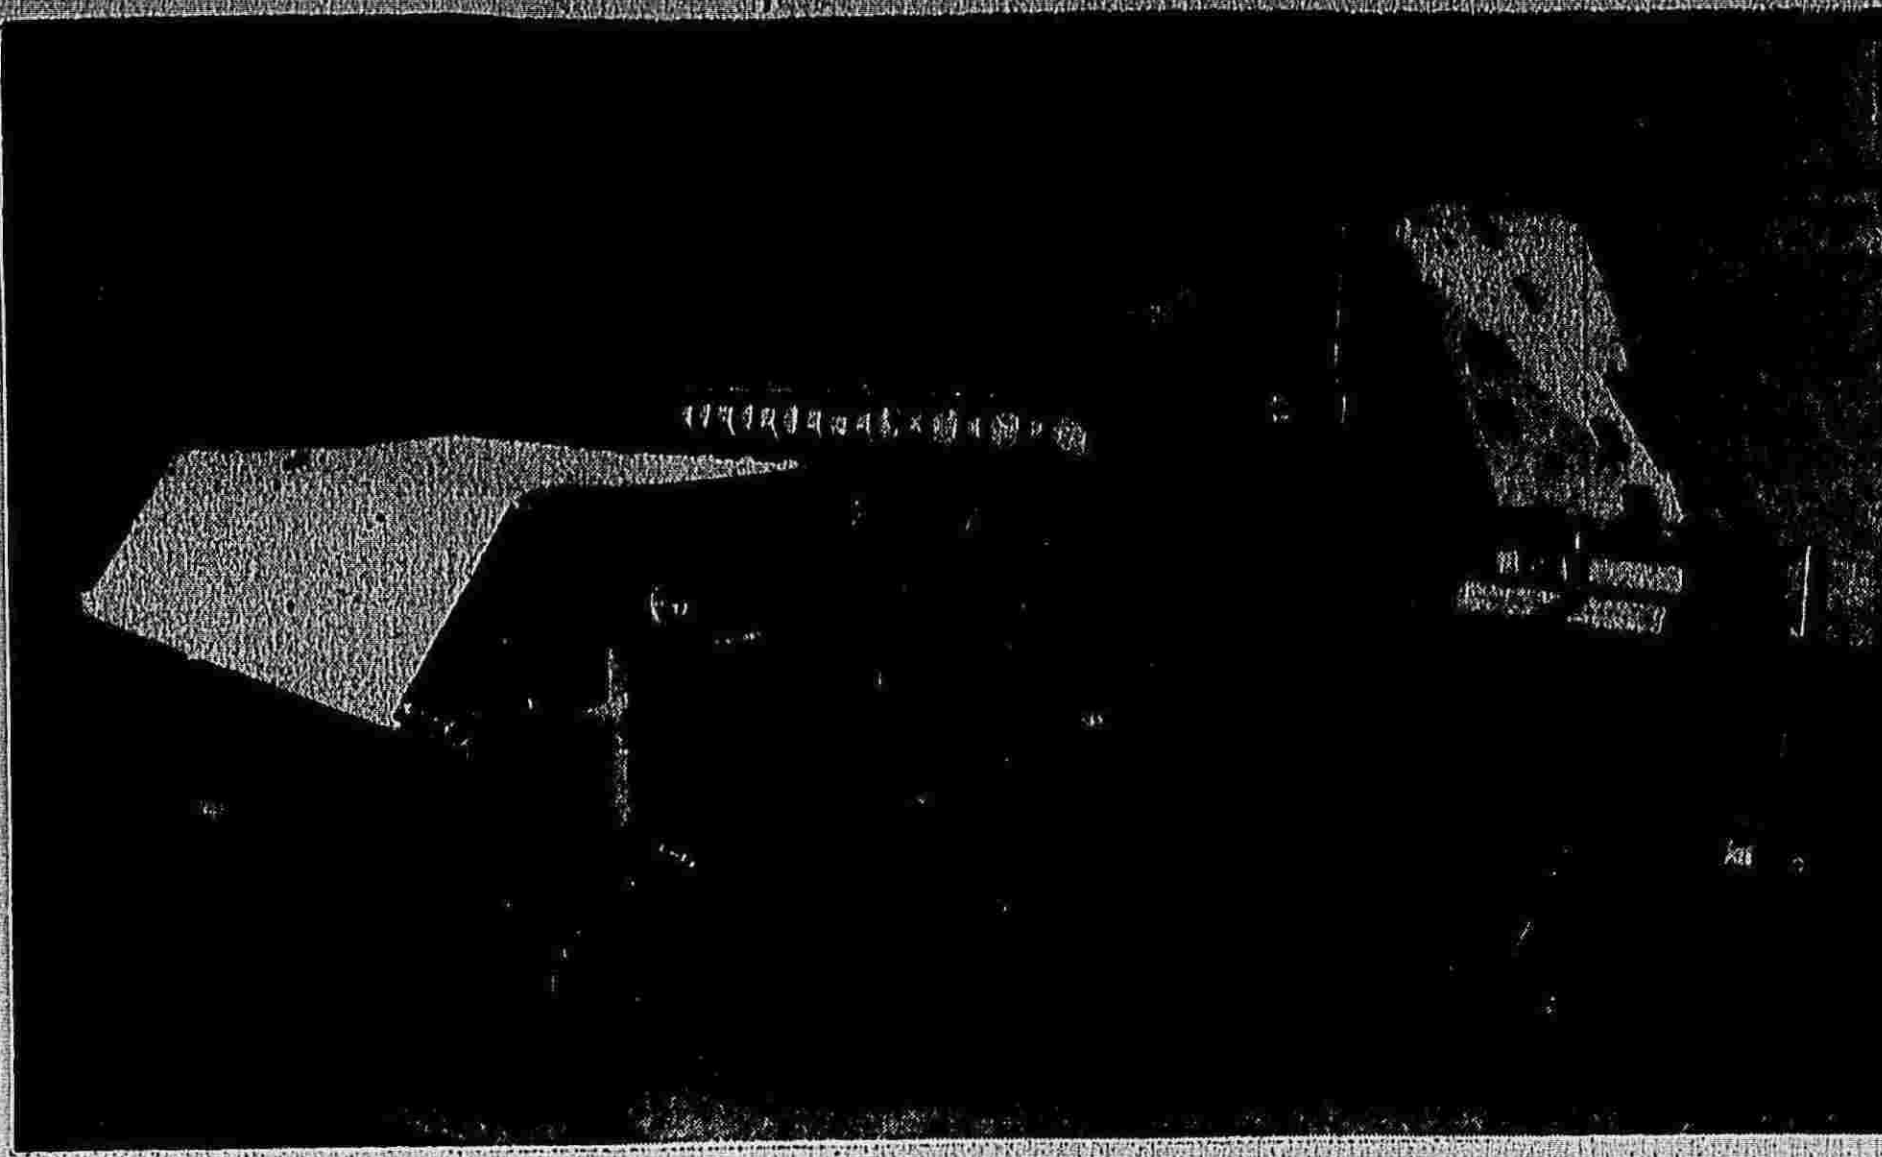

PRIVATE ENTERPRISE

President David Rockefeller of the Chase Manhattan Bank states: "Our success in this huge effort to expand the economies of the Free World will depend in the final Analysis on the contribution of private business. While it is currently fashionable to characterize Western economies as 'mixed', it is sometimes forgotten that the mixture consists of four-fifths private enterprise and around one-fifth government. The Free World's private businesses are producing goods and services at an annual rate of more than \$700 billion, at least doubling the total production of the Communist bloc where state enterprise is all-encompassing."

and stem-end rot, which is controlled by spraying bed with one-fourth pound of 22% organic mercury about a week after removing the mulch. Smith said injury can occur if the plants are well advanced.

Raspberries need a spray of Elgetol in the delayed dormant stage—this is when the leaf buds show one-fourth inch of green tip. This is the first spray needed in the control of spur blight and anthracnose. These have to be followed up with two sprays of Captan or Ferbam—just before blossoms open and ten days later.

Smith said information on insect and disease control is available from the county agent's office in Kenosha.

Operation Step-Up

At Air Force bases and Army and Navy installations world-wide, the Red Cross is meeting a tremendous challenge resulting from the buildup in the Armed Forces of our country! Increasingly, as our Armed Forces continue to expand, servicemen and their families depend on Red Cross for help in solving critical problems made more acute by military service. New servicemen and their families

are assisted by the Red Cross in their adjustment to military life when difficulties are encountered. Recreation programs in military hospitals and at selected locations overseas are carried on continuously. These services to the Armed Forces and veterans require about 40 per cent of the annual Red Cross budget. With your help, Red Cross will continue to serve those who serve in uniform.

WHEN YOU GIVE . . . WE CAN HELP

Round Lake Bumped by Sequoits in Thriller

Last Play Ends Game

Deryl Denman, Antioch hurler, led off and continued most of the game for the Sequoits, walking two and striking out six.

The first inning play was sparked by a walk from Pleviak which was followed by another walk from Brownlee. Ozga grounded to third base which forced Brownlee out at second. Hogan was then walked by Round Lake and Horn slammed a double which then scored Pleviak and Ozga. Denman squeezed Hogan home with a bunt before the side was retired.

Round Lake made no bid for batting supremacy until the seventh inning, when Earl singled. After two outs, Earl moved to 3rd. Round Laker Schnider was then walked by Ozga and followed up his first base on balls by stealing 2nd. Melchin batted out a single which scored Earl. This left runners at 1st and 3rd. Miller then got on first with an error with Schnider scoring and Melchin moving to 2nd. Hopper was walked by Ozga.

The game was then at the classic moment—bases were loaded; 2 outs and one man left to bat in the last inning. Lee, the lone holdout for Round Lake had a 3 and 2 count against him before Ozga struck him out, thereby winning the game for Antioch.

Denman, who was relieved by Ozga, almost had a shut-out.

The Sequoit team will play Graylake this Friday, April 13. This promises to be a hotly contested game as Graylake was last year's champion.

Salem Sets Golf Slate

Salem Central golf coach Dorin Grams welcomed a record number of candidates for the first indoor drills of the 1962 Falcon golf squad. Gone from last year's Southeastern Conference champions were Capt. Bruce Bojeson and Leroy Leach. Leach was lost by graduation and Bojeson by the WIAA age requirements.

However, the following monogram winners will scrap it out for starting spots when the Falcons meet Clinton in the season opener on April 25: Seniors—Capt. elect Bill Couch, Don Durkin, Bob Nelson and Dan Yates. Juniors—John Bloss, Gary French, and Harold Gabel.

The Falcons will once again make their headquarters at the beautiful Spring Valley Country Club, one of the finest 18 hole layouts in this part of the state, managed by John "Pick" Wagner.

Year's Schedule

Pat Hatfield (Mgr.), Wally Hennings, Terry Schneider, Bill Eckert (Mgr.), Mr. Nelson, Coach, (back row left to right) Joe Shirk, Bruce Dalgaard, Tom Tantlinger, Vic Rogers, Paul Williams, Jim Effinger and Mike Davis.

New Woman's Golf Asn. Plans Region Tourney

Of interest to women golfers are plans of the newly organized Northern Illinois Women's Golf Association to hold an invitational tournament at McHenry Country Club in August. The new group, formed to provide a tournament within commuting range of golfers in towns north and northwest of Chicago, comprise to date representatives from Orchard Hills and Bonnie Brook in Waukegan, Renwood C. C. in Round Lake, Deerpath in Lake Forest, and Sunday Valley in Highland Park. The event, according to Mrs. Albin Ogrin of Waukegan, chairman, will enable more golfers in this area to get acquainted and work together in the interests of better golf in addition to offering a much-needed competition.

Board members are confident that a large field will be attracted by the rolling terrain of the challenging Mc-

Henry course. The sylvan setting, a haven for wild ducks which placidly ignore even the splash of golf balls joining them in the water, is complemented by a modern and spacious clubhouse overlooking the Fox River.

Committees are at work with Mrs. Ogrin in planning the tourney, which will be 36 holes of stroke play in four flights, with no handicap limit for entry. Players will be grouped by handicap and qualify for flights on Thursday, August 16, and will tee off according to flight position on Friday.

Hospitality, rules, and registration committees are being organized by Mrs. Vincent Weyland and Mrs. Paul R. Overton of the McHenry women's golf league. Mrs. H. F. Killinger, 220 Foster Place, Lake Forest, is preparing entries, which will be available in May.

Bowling Clinic Draws Large Antioch Crowds

By Mrs. Pearl Kapell

The Bowling Clinic at the Antioch Bowl on Wednesday afternoon, April 4, drew a large audience of bowling fans for instruction and entertainment.

Jerry Dutler provided the explanation and instruction that accompanied the "Bowling Primer," a series of slides which took students of the sport through each step of stance, approach and delivery of the ball. With the bowling stars who accompanied him (Patty McBride and Frank Clause) to provide practical demonstration, Dutler showed "right and wrong" methods of bowling. As is generally true of stars in any field, none of them is typically correct in all phases. Patty McBride demonstrated that she held the weight of her ball in both hands, contrary to the "right" procedure

Safety Seminar Will Teach Driving Traits

The vital relationship of driver behavior to traffic accidents will be discussed in detail at the 5th annual Illinois Editors Safety Seminar, May 11, at the Pere Marquette Hotel, Peoria, according to Seminar Secretary James E. Bulger, vice president of the Chicago Motor Club.

He announced that Dr. Mortimer Brown, executive assistant to the director of the Illinois Department of Mental Health, will speak at the Seminar's morning session, May 11. Brown will discuss, "Some Psychological Factors Related to Driving."

Other announced speakers on May 11 will be Dr. Amos E. Neyhart, director of the

Institute of Public Safety, Pennsylvania State University, and Capt. Albert S. Hinds, chief of the Illinois Tollway Police. Neyhart's topic will be, "Who Should Be Taught to Drive?" Hinds will speak on "Expressway Driving Is Serious Business."

Bulger said six speakers would appear on the Seminar program.

The Seminar is a non-profit corporation chartered in 1958 to help the news media in their fight to reduce the death and accident toll on

Illinois streets and highways. Don S. Kesler, associate editor of the Quincy Herald-Whig, is president of the safety group.

Elkhart Lake, Wis.—Hands are necessary in more ways than just driving sports cars here at Road America; 1962 S.C.C.A. competition rules say that: "a—before entering the pits from the course, the driver should signal by raising his arm; b—An overtaken driver should point to the side on which an overtaking driver should pass him; c—The driver of a stalled car should raise both arms to indicate that he will not move until the course is clear."

For brochure with complete information, write to Lake-Cook Farm Supply Co., 997 Lee Street, Des Plaines, or stop at Lake-Cook store at Grayslake to obtain this nest. Or contact Bob Brown direct at Box 134, Wadsworth, Ill., phone EL 6-1441.

Frank DeYoung, manager of the Grayslake farm store, who earlier sponsored a "Save the Bluebird" campaign, is also interested in having folks build and erect wood duck nests to promote nesting and hatching of the beautiful wood duck. "This duck also needs help desperately," said Mr. DeYoung.

A sample of this nest and information can be obtained at the same farm store.

After observing that successful hatches were in nests above the water in old boats, duck blinds, muskrat houses, etc., he tried to perfect a man-made nest above the water.

After many attempts with various materials he perfected and patented a simple round, 2 foot long, 13 inches wide, weather-proof plywood box which slips over an iron

pipe to be put above the water. A special partition protects the ducklings from predators.

Employees of a local Farm and Garden store—Lake-Cook Farm Supply Company at Grayslake, are urging folks who live near water to help conserve our wildlife by erecting this predator-proof nest this year.

Intra-Mural Track Meet Taken by Senior Squad

ATH Track Coach Roger Andrews recently reported the outcome of his interclass track team meet which was held last Friday.

The seniors, carrying the majority of the squad, averaged an overall 78 1/2 score for all events with the sophomores placing second with a score of 48. The juniors with 35 1/2 points followed.

The 100-yard dash was taken by Ray Partipillo in 11.2. Runners up were Rich Fitch, Greg Gates, and Bob Hart, who tied and Marv Pullen.

The 120-yard high hurdles saw Bud Dittman sweep away opposition with a 19:8. Dione Rathbone, Ray Peterson, Rolf Westberg and Bruce Dalgaard were runners up.

Running the 880, Fred Andrews took honors with 2:10.9 with Jim Edwards, Bruce Dalgaard, John Spiegler and Stan Davis trailing him.

The 2-lap relay was taken by the seniors with 1:22.3. Dione Rathbone won the 440 with :57.0. Tom Tantlinger, Bob Krieger, Ray Partipillo and Ray Peterson also took honors.

The 120-yard low hurdles was highlighted by a tie between Rich Fitch and Dave White who both scored 15.4. Gates, Dittman and John Brady also placed.

The mile event was taken by Phil Fabry with 5:40.8 time. Jim Effinger, Bill Ream and Pat Hatfield also showed in the race.

Marty Guefnrey won the 220 with 26.2. Brady, Fowles and Bob Schmitz showed in the run.

The long-running 4-lap relay was taken by the juniors with 3:07. The seniors, freshmen and sophomores followed in that order.

Rich Fowles won the shot put meet throwing at a distance of 36'3". Those placing after him were Fitch, Ron Ipsen, Paul Williams and Pete Lishamor.

The Discus Throw was headed by Denny Pogose who

threw at a distance of 116'1". Mike Doyle, Ipsen, Ed Thayer and Louis Meglio also placed.

Broad jumper Fred Andrews won his event with a distance of 17'. Paul Clifton, Gates and Tantlinger followed the winner.

The high jump event was won by Bud Dittman who leaped to a height of 5'6". Paul Clifton and Carl Satterfield were tied for this event.

Cliff White and Rich Winston also matched their capabilities in the jumps.

Bob Barnstable took honors for the pole vault with a 9'6". Bob Weber, Dave White, Joe Lewis and Steve Chinn gave Barnstable a lot of competition in the event.

Sequoits Win Over Bulldogs

The Antioch Sequoits took their opener against Wauconda Friday afternoon as the Northwest Suburban Conference baseball race got under way. Playing at Wauconda, the Sequoits hit for a two run first inning and added another in the second for their 3 run total.

Holding the Bulldogs to 3 hits behind the pitching of Denman, the Sequoits took the victor 3 to 2. Denman went 4 and one-third innings before Ozga came on in relief.

Extra base hits, all doubles, by Horn, Pleviak and Hansen aided the Sequoit cause and Denman took credit for the win. Christ was the loser.

Lake County Resident Urges Duck Protection

Conservationists are happy about the efforts of a Lake County man who is trying to increase Mallard populations in his own many lakes and marshes and ponds in Lake and Cook counties.

Bob Brown of Wadsworth has patented a predator-proof duck nest which should help nature to replenish our Mallard numbers.

According to Bob Brown, a lifetime student of nature, "What generally happens is that the predators—skunk, raccoon, fox, mink, crow, dogs, turtles, snakes, livestock, or some creature which roams the shorelines, get the eggs and many times the nestling duck."

After observing that successful hatches were in nests above the water in old boats, duck blinds, muskrat houses, etc., he tried to perfect a man-made nest above the water.

After many attempts with various materials he perfected and patented a simple round, 2 foot long, 13 inches wide, weather-proof plywood box which slips over an iron

pipe to be put above the water. A special partition protects the ducklings from predators.

Employees of a local Farm and Garden store—Lake-Cook Farm Supply Company at Grayslake, are urging folks who live near water to help conserve our wildlife by erecting this predator-proof nest this year.

Zion Passion Play Scheduled for 1962

This year, people from all over the Middle West are planning to see the annual presentation of Zion Passion Play, which will be held at the West Campus Auditorium in Waukegan, every Sunday through the months of April, May and June.

Already, arrangements are being made to bring busloads from Iowa, Indiana, Wisconsin, and from many towns in Illinois. Sunday School classes, various groups and organizations have written for details and accommodations. Many of these inquiries have been made by those who have seen the play in former years and are desirous that others may have the experience of seeing this powerful drama of the Life, Passion, Death and Resurrection of Jesus of Nazareth.

Since 1935, the Zion Passion Play has been presented annually. This year, Sunday, April 1, marked the 922nd performance. The text taken from the King James Version, has basically remained the same as the original script written by the Rev. Jabez Taylor. However, new settings and scenes have been added from time to time. The play has been housed in five different locations through the

years. Starting in the old Shiloh Tabernacle in 1935, it went to the Civic Opera House, Chicago, in 1937, then to the Zion Auditorium in 1939 where it continued annually until 1959. That summer the play was produced outdoors. The year 1961 was the start of a new series at the beautiful West Campus Auditorium in Waukegan.

The season for 1962 is scheduled for every Sunday through April, May and June, beginning at 3 p.m. With choral music, accompanied by orchestra and organ, this great drama becomes a fast moving panorama as two hundred actors unveil the great story of the Love of God. The Christus is portrayed by Charles Paxton, who has taken this role for the past five years. Phillip Davis is now to the part of Pilate, replacing the late Ralph Phil, who played the role since 1935.

Caiphas, the High Priest, is being played by the Rev. William Mason, and Orson Howard assumes the role of Herod. Many members of the cast have been working for months under the tutelage of Dr. Elsworth Laffin and Mr. Walter Robbins.

Because Easter is the fourth Sunday in April, it will give many an opportunity to visualize the story, looking forward to the celebration of this Holy Day of the Church. Zion Passion Play graphically portrays the incidents leading up to the resurrection and beyond. It would be advisable for church groups to make their reservations as early as possible for these presentations.

Reserved seats are obtainable from the office of Zion Passion Play, Dowle Memorial Drive, Zion, or at the box office on the day of presentation.

Girl Scouts Hold Lakeview Councils

More than 300 Girl Scouts and Brownies took a part in Lakeview Council's 50th Anniversary ceremony, "The Golden Promise," on Saturday, April 7, at the West Campus of the Waukegan Township High School.

There were two identical programs presented, 1 p.m. and 4 p.m., which was attended by approximately 3500 people.

Five Senior Scouts took part in the flag presentation. An additional 25 seniors presented a flag ceremony carrying flags of 25 foreign countries which are members of

the World Association of Girl Guides and Girl Scouts. Mrs. Bernard J. Froelich, president of the council, opened the ceremonies with a welcome to "Honor the Past."

Dominating the center stage was a trefall cast of 68 Brownie and Intermediate Girl Scouts and the live "picture" of Juliette Low, founder of Girl Scouting in the U.S.A., was portrayed by Mrs. John Hawes, Wildwood. The off stage "voice" of Mrs. Low was that of Mrs. F. R. Wright, Wildwood. Both adult Scouts are leaders of troops. Mrs. Hawes also serves as the Secretary of the Council.

The singing chorus consisted of 133 Brownie and Intermediate Scouts and was directed by Mrs. George McHardy, Wildwood. The choral speaking chorus consisted of 69 Girl Scouts. The organist for the two programs was Mrs. L. J. McClure, Gurnee. The co-ordinator drama director of "The Golden Promise" ceremony was Mrs. Elizabeth Hardles who is currently a Drama Consultant for Oak Grove School and the surrounding area of Libertyville. Miss Lynda Legge, president of the Senior Planning Board

One dollar puts a new flameless electric range in your kitchen

Free wiring installation

Any make or model of electric range

You must be satisfied or your money back

You'll like cooking the modern electric way! Here's why:

Your kitchen stays clean twice as long, because with Flameless Electric Cooking there are no flames to make soot or dirt * Your kitchen stays at least 10 degrees cooler, too, because your electric oven is insulated on all six sides (not just five) * Radiant electric ovens cook the juiciest roasts you've ever tasted * Radiant electric broilers heat up instantly

... no preheating needed, so you save time ... and when you cook a steak electrically it looks like it was charcoal broiled * Electric surface units practically clean themselves—and pots and pans stay bright and shiny. And electric ranges are so economical to operate.

NOTE: This special dollar-down offer applies to a standard wiring installation for an electric range in any single-family dwelling served by Commonwealth Edison or Public Service Company and includes necessary wiring.

THE ANTIOCH NEWS

THURS., APRIL 12, 1962

of the Lindenhurst Women's
Club and their guests, when
the group met Thursday eve-
ning, April 12, at 8 p.m. at
the Civic Center on Old Elm
Road. All ladies of the vil-
lage are invited to attend.
Refreshments will be served.
A short business meeting
will be held after the demon-
stration.

Lindenhurst Men's Club
A movie about Sweden was
shown at the Men's Club
meeting last Thursday eve-
ning. Plans were made for a
Spring Dance to be held at
the Civic Center on May 12.
Frank Cuden's orchestra will
play.

Also discussed was the sec-
ond annual Block party, to be
held June 22, 23 and 24 on
the Civic Center grounds and
in the building. Like last
year, all organizations in the
village will be asked to par-
ticipate. Jim Hartwig is
chairman of both affairs.
Working on the committee
with him are Jack Thompson,
Art Nelson, John Slove, Dom-
inick DiSilvestro, Bob Spiegl
and Milton Lazansky. Pro-
ceeds will be used to help
pay off the mortgage on the
Civic Center.

Lindenhurst Junior Police
Bob Coles awarded the
trophies to the winners in the
model car contest held by the
club. Milton Pulls gave a
talk on life in the navy aboard
ship. Police Officer John
Selzer spoke to the boys about
bicycle safety.

There will not be a Jr. Po-
lice meeting April 17. The
club will meet on the 24th,
at the Hooper School. Police
Chief Anthony Schmeig of
Highland Park will give a
Judo demonstration that
night. He wears a fifth de-
gree black belt, and is tops.
Parents are invited to at-
tend.

Mike Mazer played his
trumpet, while Mike Tum-
minello accompanied him on
the accordion. Everyone en-
joyed the boys' playing.

Vacation

Clarence and Mary Tracy of
Old Elm Road spent a glori-
ous 16 day vacation, and sec-
ond honeymoon in Fort Lau-
derdale, Fla., recently. Mary's
parents, Mr. and Mrs. A. C.
Thomsen of 2831 North Mul-
ligan in Chicago, also went
with them. They flew by
Jet, on the Eastern Airlines.
In their 24 hour flight they
enjoyed a complete meal
topped off with champagne,
to help put their head in the
clouds. Mary enjoyed her
trip immensely. They were

married nine years March 7,
and this was their first vaca-
tion. They occupied a two-
bedroom apartment at the
Lauderdale Isle. They had
lunch at the Kenilworth one
day, enjoyed swimming in salt
water, but didn't enjoy get-
ting a mouthful, and saw
Tony Martin in person, while
on the town one night.

Anne Lance took care of
their foster children, Jimmy
and David Butterbrodt, while
Mary's sister took care of the
two younger ones, Nancy and
David.

The "Carousers"

"The Carousers," a Tues-
day night Pokeno Club, had
dinner at the Country Squire
in Grayslake last Tuesday
night. Enjoying a delicious
dinner were Miss Shirley
Heidner, Mesdames Lorraine
Grant, Dorothy Golden, Dor-
othy Smith, Marie Anderson,

Ruby Blevin and Dolly Mel-
let. The ladies took Mrs.
Sarah White with them, as
their guest. The waitress
overheard that they were al-
so celebrating Mrs. Blevin's
birthday, so she brought in a
small cake with a candle on
it. They all sang "Happy
Birthday."

Mary Ellen Kell, the other
member of the club wasn't
able to go out with the girls,
because she had to work that
night.

Anniversary

Congratulations to Mr. and
Mrs. John Warchol on their
17th wedding anniversary
April 7. Once again they
have to postpone going out
for dinner on "their day."
Last year Mrs. Warchol was
in the hospital, and this year
their daughter, Barbara, is a
hospital patient. Barbara
had been sick with what at

first was an allergy, then an
upper respiratory and now
pneumonia. She had been ill
two weeks before entering
Victory Memorial Hospital on
April 2. She was still con-
fined Monday. I know every-
one sends speedy recovery
wishes to Barbara.

Trip to Springfield

Mr. and Mrs. Raymond
Claffy and their children
Debbie and Ronald, motored
down to Springfield March 30
and returned on the second.
They visited their daughter,
Mrs. Herbert Hokanson and
their three children.

While there they visited
Oak Ridge, Springfield, cem-
tery where Lincoln is en-
tombled. The base of the
mausoleum holds the bodies
of Lincoln, Mrs. Lincoln and
three of their four sons. They
visited the Lincoln home and
a museum that had wax life-

like figures so real that Wym-
eth was fascinated by them
and wouldn't have been sur-
prised if they had moved. On
display were letters written
by Lincoln and old money
used during that period.

They saw the Capitol Build-
ing and the Centennial Build-
ing but weren't able to go
through them as they were
closed.

They had a terrific snow
storm on Saturday while they
were there, which hampered
them from seeing as much as
they would have liked to.

Science Fair

Lori Lewis of 222 S. Val-
ley Drive was one of the ten
first place winners in the An-
tioch High School's annual
science fair. She was the
only one from Lindenhurst
who will go to the Lake For-
est College on April 28.

Lori is a sophomore and
her project was Toxicology.
Some of the reactions of her
white rats to toxic injections
and her analysis won her the
first place award.

PTA to Meet

The PTA of the Hooper
School and the Lake Villa
Consolidated school will meet
at the Hooper School on Sand
Lake and Beck Road Monday
evening at 8 p.m. in the al-
purpose room.

James Bradley, principal,
will speak on Corrective
Reading, being used in
Hooper school.

The nominating committee,
Mrs. Betty Bonner, Vernon
Mortensen and Mrs. Warren
Brown, will name their slate
of officers for 1962-63. Nom-
inations may also be given
from the floor. Election of
officers will be held.

Second grade mothers will
be hostesses.

Home From Arizona
Mrs. Ella Schrotland,
mother of Mrs. Bernice Bern-
au, returned home Sunday
afternoon after spending 11
weeks in Mesa, Ariz. Visiting
her brother, Walter Willis,
and two nephews and their
families.

Grant High School Pupils Feature Government Day

On Friday, March 30, Grant High School students selected mayoral candidates for the Annual Student Government Day which will be held April 17. The selections are: Senator, Stephen France, and Sophomore, Ronald Taylor.

A primary election to choose candidates for parties headed by each of the mayoral candidates was held on April 6. Primary candidates for the offices of Village Clerk, Police Magistrate and

six trustees were chosen in this election. Campaigning is limited to April 11, 12 and 13. The final balloting will be on April 13 followed by an all-school assembly at which candidates will present their qualifications.

With the cooperation of the Fox Lake village officials, the students will govern the village Tuesday, April 17. A report by the student Mayor and his commissioners will be given to the Village Council at their meeting May 7.

The entire procedure is conducted according to regulations set up by the Grant Student Council and supervised by Student Council President, Michael Pollak.

License Plate Color To Change Next Year

Springfield, Ill. — Yellow numerals and lettering on a dark green background will be the color combination for Illinois' 1963 motor vehicle license plates, Secretary of State Charles F. Carpenter has announced.

This combination provides a sharp contrast with the orange and white 1962 plates, and will not be in conflict with the colors being used by other middle western states, Mr. Carpenter said.

"Land of Lincoln" will appear across the bottom of the plates and "19 Illinois 63" across the top, Secretary Carpenter said.

WE'RE OPEN

MONDAY 4:30-7:30 p.m.
SATURDAY morning 9 to 11:30 a.m.

For your convenience, we are keeping our offices open on Monday evenings and Saturday mornings. We invite you to come in and discuss your investment problems with our experienced representative who will be on duty at these times.

Channel Lake News

By Mrs. Pearl Kapell
The Accidental Hero, a play sponsored by the Channel Lake P.T.A., will be shown to the public at 8 p.m. on Friday and Saturday nights, April 13 and 14. The play, a farce, is concerned with a group of pupils who decide to do something about it when their school is threatened with the loss of the extra frills of school activities. Deliberate miscasting by the coach of the play with the actors putting at the parts assigned to them, a nose reporter (how'd he get in there?) and interfering P.T.A. members make up the play within the play and provide laughs for any audience that's taken part in school activities.

Pupils taking part in the production are Craig Patterson, Marty McConahey, John Bjork, Terry Yanco, Kathy Patelski, Barbara Pechoua, Mary Lago, Linda Wetmore, Betty Serahon, Mike Kelly, Terry Dowell, Patty Yanco, Rodney Patterson, Karen Roberts, Okie Swenson and Richard Lebowski. Adults in the play are Myrna Youngman, Howard Scott, Mrs. Evelyn Caldwell, Mary Berman and Harry Caldwell.

The play will be held in the new gym of the Channel Lake school.

Robert Mahoney, Grapevine Avenue, was pleasantly surprised Saturday evening when a group of his friends and neighbors dropped in to surprise him with an impromptu birthday celebration. The group played cards and a lunch was served.

Edward Matejka, Channel Lake Bluffs, entertained a group of his young friends on March 15 to celebrate his sixteenth birthday.

The Channel Lake P.T.A. will meet at 8 p.m. on Wednesday, April 18. The first through fourth grades will entertain their parents and others at the meeting with a spring festival. The festival will be a demonstration of what the pupils have learned through the year in music and gym. The program is being directed by Grace Amendola, Jean Soby and Dorothy Karczewski.

Don't forget to vote in the election for school board members at the Channel Lake school on Saturday, April 14, from 12 noon to 7 p.m. Candidates for the three offices to be filled are Richard Waters, Beverly Roberts, Dr. Stanley Anderson and Elmer Eberman.

CONSERVATISM IN GOVERNMENT

"Conservatism in government on the local, state and federal levels seeks to restore the common sense and business approach in the handling of public funds. It has been too easy for the government to add taxes for special reasons, but then handle those monies in such a frivolous manner as to indicate that all citizens have a 'money tree' in their back yards. . . . An important facet of conservatism is its individual basis. It impels each citizen to endeavor to do as much for himself and his community and country as he is able, by talent and means. Conservatism points to the fact that this country was founded for direction from the bottom up and not from Washington down."—Leland, Miss., Progress.

The chemical industry in the United States is growing at a pace unequalled by other manufacturing industries. It is growing at a rate of nearly twice that of the rest of the U.S. economy.

BRAIN PATTERNS

An abnormal brain pattern has been found among a significant number of adolescents who commit murder and other acts of violence, according to a psychiatrist writing in the Archives of General Psychiatry, an American Medical Association publication. While the exact role of this organic factor has not been determined, he says, the phenomenon "is

linked far more than by chance to the occurrence of aggression and violence by children and adolescents."

Depend on it to give you an honest day's work for a long, long time and not cost much to run or keep up. It's a Chevrolet.

Trucks aren't all alike. This Chevrolet has double-wall roof, doors and side panels. It has suspension that helps it last longer by reducing road shock. It has a non-skid wood body floor. It has as tough a tailgate as you'll find. It has an all-welded frame made of high-quality steel. Most important, it has a name everybody respects because they know it stands for quality. When you

make up your mind to buy, get this one. We know you'll be happy with it.
HAVE YOU LOOKED INTO CAMPER BODIES?
This is a fine way to enjoy the outdoors comfortably and at low cost. Many Chevrolet dealers are showing camper units now. Drop by and investigate this great way to make a truck do double duty. A strong Chevrolet is your best bet for work or play.

See your Chevrolet dealer for trucks that keep working and working and working and working!

Lake Villa News

By Mrs. Fred Bartlett

LAKE VILLA—Fourteen Royal Neighbors of Cedar Lake Camp surprised Mrs. Marie Hamlin with a party at her home Wednesday evening in observance of her 80th birthday. The following attended: Helen Fish, Helen Reimer, Lottie Barnstable, Ru Meta Jost, Edna Botta, Mrs. Truelsen, Gertrude Malecka, Cecile Blumenschein, Martha Bartlett, Bertha Fish, Georgia Avery, and from Harvard, Mrs. Pete Shurgart.

The birthday cake was made and decorated by Neighbor Helen Fish. On the same evening Georgia Avery was presented with her 50 year pin from the Camp.

Mrs. Fred Popp, Sr., was hostess at a party given in observance of the birthday of Marie Hamlin, at the Popp residence on Tuesday evening. Eight ladies enjoyed cards.

Little Sandra Bartlett, daughter of Mr. and Mrs. Clifford Bartlett, entertained nine playmates Tuesday afternoon in observance of her fifth birthday, a birthday cake decorated with Mickey Mouse and Pluto was enjoyed by all.

In the evening both of her grandparents, Mr. and Mrs. Kaurin Karolus and Mr. and Mrs. Fred Bartlett, Sr., enjoyed cake and coffee. Also visiting were Mr. and Mrs. Ray Bartlett and family of Waukegan.

The Lake Villa VFW Auxiliary will sponsor a dance at Downey on April 19, they will leave the VFW hall at 6:20 p.m. Anyone wishing to donate sandwiches can leave them at the home of Mrs. Kay Kastling on Grand Ave., not later than 6 p.m.

The Lake Villa VFW Auxiliary is sponsoring a bake-less bake sale. Any member who received a letter in the mail, should return all an-

swers to Joyce McCleod, by April 15.

The Lake Villa VFW will sponsor their annual May dance, known as the "Queen of May Dance" to be held on May 5, with dancing to start at 9:30 p.m. Music will be furnished by the "Tremolos." The Queen will be chosen by her attendance ticket number. The one chosen will receive many gifts and a dozen roses.

Mr. and Mrs. Albert Healey, Jr. and daughter and Mrs. Albert Healey, Sr. were visitors Sunday at the home of Mrs. Tena Gerber and Arlene Letting.

Mrs. Walter Paske and a few friends returned home Wednesday after spending the winter in Florida.

Mr. and Mrs. Ed Jackley and daughter of Burlington, Wis., have moved into the Hamlin apartment on McKinley Avenue.

Mr. and Mrs. Bill York and daughter visited relatives in Indiana Sunday.

Mr. and Mrs. Ray Bartlett and family visited relatives in Lake Villa Sunday.

The Lake Villa American Legion Post will hold an Easter egg hunt in Lehmann Park, Lake Villa, on Palm Sunday, starting at 2 p.m. Children of the Lake Villa area are invited to participate in the hunt.

Several American Legion Auxiliary members attended a "Luncheon Is Served" at the Waukegan American Legion home Monday. The event was sponsored by the 10th District of the Legion Auxiliary. Those attending were Mrs. Clarence Perkins, Mrs. Harry Kaermer, Mrs. F. Bartlett, Sr., and Mrs. Raymond Rathman, 10th District Director, all from Lake Villa.

"Humility is the earmark of those who know the Truth."—Southwest Messenger Press, Inc., Chicago.

Trevor News

By Mrs. Grace Miller

The Howard Gehrke family have moved into their new home and Mr. and Mrs. Dean Schultz have moved into the vacated apartment.

Several from here attended the funeral of Mrs. Charles Hazelman in Kenosha recently.

Alan Garver of Kenosha spent a few days with Mr. and Mrs. Ronald Vos and family.

Mr. and Mrs. John Schwartz of Kenosha were recent Sunday callers at the Howard Schultz home. Joan Schultz returned home with them for a few days.

Mr. and Mrs. Bernard Staudinger of Kenosha with Miss Ann Harings of Chippewa Falls visited at the Howard Schultz home recently.

The lower grades of the Trevor school put on a "Circus" on Friday evening of last week. Popcorn and peanuts were sold during the evening.
